Honorable W. Blodgett Priest
Deer Crossing Farm
Hackettstown, New Jersey

Dear Mr. Priest:

The President has sent me your letter of 3 December 1950 and has asked me to look into the promise of the Projecting Electronic Ray. In the near future a member of my staff will seek an appointment with you to this end.

I hope you will feel in a position to cooperate with him completely so that all pertinent information will be made available. The individual who contacts you will have proper credentials to identify himself as a member of the Central Intelligence Agency.

Sincerely,

WBS

W. B. SMITH
